Provexcar
Transporte de Carga Internacional

Air Transport

We transport any non-perishable merchandise to and from Ecuador, through different airlines, with either cargo or passenger flights.

With our international certifications that allow us to cover the needs of handling special cargo and dangerous cargo.

Provexcar
Transporte de Carga Internacional

Maritime Transport

With great experience and knowledge we help you with your maritime cargo, dry, temperature-controlled container, isotanks, Open Top or Flat Rack, in FCL or LCL conditions.

We have developed necessary skills to manage Break Bulk, which need a big logistics experience

Complementary Services

Through certified suppliers and strategic partnerships we have build a portfolio of great complementary solutions, providing an integral service
